

Belvika Makes Strategic Investment in Astron Packaging

NOVEMBER 4, 2021

Belvika is pleased to announce that it has completed the acquisition of Astron Packaging Ltd. (“Astron”) on November 4, 2021.

Astron is a contract packager primarily focused on the confectionary and food market. The investment in Astron expands Belvika’s embedded operations with a key customer, further solidifying Belvika’s market leading position.

“Welcoming Astron to the Belvika family represents a significant milestone in Belvika’s growth strategy,” said Mario Golias, President and CEO of Belvika. “We are very excited to welcome both the staff and customers of Astron to Belvika and we look forward to building on Astron’s operational capabilities to support the next phase of Belvika’s growth.”
