

Belvika Makes Strategic Investment in Linsey Foods

NOVEMBER 15, 2021

Belvika is pleased to announce that it has closed the acquisition of Linsey Foods Ltd. ("Linsey") on November 15, 2021.

Linsey offers contract packaging solutions for many types of dry food products, notably confectionary and cereal products. In addition to its contract packaging offering, Linsey is also provider of Branded Products which are sold to retailers across Canada. These Brands include both Et Tu salad kits (ettu.com) and Krisda natural, zero-sugar, low calorie sweeteners (krisdasweeteners.com). Belvika's investment in Linsey expands its share of wallet with key contract packaging customers and adds new capabilities and products to the Belvika portfolio of products and services.

"Welcoming Linsey to the Belvika family represents another significant milestone in Belvika's growth strategy," said Mario Golias, President and CEO of Belvika. "We are very excited to welcome both the staff and customers of Linsey to Belvika and we look forward to building on Linsey's operational capabilities to support the next phase of Belvika's growth."
