FEBRUARY 20, 2023

In 2023, Belvika is celebrating its 30th Anniversary. From its original facility servicing one customer in 1993 to being one of the largest and most trusted supply chain contract packagers of chocolate, confectionary and snack food products, operating 7 facilities in the Province of Ontario, the Company and its leadership team has never lost sight of its core values and roots, over the past thirty years.

Company President and CEO, Mario Golias, remarked: "This is an incredible milestone for any Company. The corporation has achieved this success through the hard work, passion, and dedication of our team members; the development, adherence, and continued improvements of our procedures together with a culture of customer service that exists throughout the entire organization since day one, when my parents founded the Company. We have dedicated ourselves to 30 years of supporting and growing with our customers, investing in technology and people to provide our customers with the highest quality solutions and services possible. We are excited to see what the next thirty years will bring for Belvika and its team."
